<u>Approval of September 2022 EDA/EDC Financials – Steve</u>

The September financials will be presented at the EDA/EDC Board meeting on November 10th. In the event the September 2022 Financials are not prepared by that date, Steve will send the financials electronically. No action will be taken on this agenda item today.

Status of Senior Financial Officer Search

Steve updated the Executive Committee on the status of the open Controller position at BSED. The title has been changed from Controller to Senior Financial Office and the salary range has been adjusted. Four applications have been received. One applicant will move forward with a phone screen interview. One of the candidates from the first round will likely be pulled into the second round of interviews. Steve is hopeful that we will continue to receive applications and move forward with the process. This has been a challenging position to fill. Steve has reached out to his network to encourage qualified

applicants to apply for this key role. Steve encouraged the Committee to also promote the job opening to their network. Steve answered the Committee's questions regarding the application and interview process. Steve shared that in the interim the BSED staff and Eide Bailly have been managing well. Steve also updated the Committee on the 504 loan program SMART audit that is currently under way and the organizational audit that will start next week. Shanna is still under contract, but we are planning to transition Shanna out of her contract and manage financials independently by the end of November. Steve is optimistic we will find the right person for this key role. The Committee shared ideas to promote the job listing and raise awareness.

Building Project Funding Recommendation-Steve

Steve shared with the Executive Committee recommendations for funding the close out of the building project budget. Steve walked through the line items of the handout. Steve reviewed outstanding change orders and reconciliation with vendors which totals \$48,959.55. Steve shared with the Committee his recommendation for funding the outstanding budget items which includes utilizing the operating reserve, city grants, and EDA operating funds. The approval from last month's Board meeting to apply the protested tax has been applied. After applying the funding from Steve's recommendations, the remaining balance to close out the building project funding is \$34,178.90. Steve shared with the Committee the updates that will be done in the Zoot Training and Event Space, including addressing lighting issues and sound quality issues. After discussions with TW Clark and Cushing Terrell, we should be receiving a credit to utilize toward the lighting. The credit amount is currently unknown, but the estimate to address the tecum panels/lighting changes is \$32,100.00. The total cash needed to close out the open change orders, vendors reconciliation, and tectum panels/lighting changes is \$ 66,278.90. Steve's recommendation is to set aside \$70,000.00 operating cash as available. Steve answered the Committee's questions regarding the sound quality issues in the room and how this is best addressed. Steve also answered the Committee's questions regarding the credit that should be received to apply toward the lighting. The Committee recommended that Steve execute a change order addressing the sound issues and postpone action on approving the building project funding recommendation until the Board meeting on November 10th. The Committee inquired as to Becky's contract with BSED and how that lines up with the close out of the project plans. Becky will remain on contract until the end of November and any remaining building projects issues will then be addressed by the BSED team. Steve answered the Committee's question regarding the City Grants and how the reimbursement will be received. The City Council has approved the City Grants in the amount of \$62,000. No action will be taken on the Building Project Funding Recommendation today.

FY22 Audit Engagement Letter

Steve shared with the Executive Committee the upcoming organizational audit in November. Steve reviewed the EDA and EDC engagement letters received from Anderson ZurMuehlen. The engagement letters have been executed by the EDA/EDC Board chairs. The Committee was asked to acknowledge receipt of the engagement letters and acknowledge that AZ can move forward with the audit process. Steve answered the Committee's question regarding the upcoming audit and shared that Shanna will assist with the process.

Motion: Andy Gott to acknowledge receipt of the FY22 Audit AZ engagement letter and proceed with the AZ audit process as presented to the Executive Committee.

Second: Nick Pancheau Discussion: None Motion: Carried

Program Action Items/Reports

PTAC Program Update – Deanna

Deanna shared an overview of the PTAC program in Montana. BSED PTAC is the lead center in Montana for PTAC. BSED PTAC holds the cooperative agreement that is the Federal funding vehicle by which PTACs are funded. In Montana we have a cooperative agreement and sub agreements with other organizations across the state to provide PTAC in their area. BSED PTAC has responsibility over the program statewide and oversight of the subrecipients. BSED PTAC has been the lead center in Montana for approximately thirty years. The agreements are five-year cycles. We are in the third year of a five-year agreement. After the five-year term, other organizations can apply. PTAC's mission is to help companies realize government contract opportunities. Most of the work is centered around Federal Government opportunities because those tend to be the most involved and complex. Deanna shared with the Committee the SAM registration changes that affect companies and how PTAC assists with this process. Deanna shared that a lot of time was spent navigating the new process. Deanna recognized Tereza in her new role in the PTAC program. Deanna shared updates on clients and the

industries that BSED PTAC assists. Deanna shared that July 31, 2022 ended the program year and the companies that worked with MT PTAC realized \$133 million in contracts and \$60 million since August 1, 2022 alone. For Billings alone \$12.5 million was realized in contracts. Deanna answered the Committee's questions regarding the PTAC program. Steve recognized the track record of the PTAC program and commended Deanna on her work. The Committee also commended Deanna and the BSED PTAC on their efforts and shared their experiences with PTAC.

<u>Year-End Marketing Plan – Marcell</u>

Marcell updated the Committee regarding year-end marketing plans. Marcell provided a November and December calendar to update the Committee regarding upcoming BSED events. Marcell invited the Committee to attend our historic building dedication on November 30th and to attend the Downtown Billings First Friday Holiday Stroll on December 2nd. We will be hosting high school students in the BSED building that are selling products to the public and the Committee is invited to come support these entrepreneurs on December 2nd.

Executive Director Report

Steve shared with the Board the Reimbursement Agreement between BSED/the City of Billings/Coca-Cola. The agreement is pending legal review. The finalized agreement will be shared as an action item with the Board at the November 10th meeting. Steve answered the Committee's questions regarding the Reimbursement Agreement and the Committee discussed. Steve commended Allison on her efforts.

Motion: Jen Kobza to present the Reimbursement Agreement to the EDA/EDC Board on November

10th.

Second: Nick Pancheau Discussion: None Motion: Carried

Riley shared some concerns that were expressed by Coca-Cola regarding the City's building approval process. Steve addressed these concerns and shared his recommendations to remedy these concerns in the future. The Committee discussed the topic as well as their recommendations.

Executive Committee and Board Meetings-December 7 and 8

Steve shared with the Executive Committee that in December, the Executive Committee meeting and EDA/EDC Board Meeting are scheduled for December 7th and 8th. Steve recommended moving forward with the back-to-back meetings unless there were objections from the Committee. The Committee preferred that we have a single joint Board meeting on December 8th and bypass the Executive Committee Meeting for the purpose of allowing the EDA/EDC Board to see more of the process of action items.

Motion: Riley Bennett to cancel the Executive Committee meeting on December 7th as presented to the

Committee.

Second: Debbie Desjarlais

Discussion: None Motion: Carried

Steve shared with the Committee the items that will be on the agenda for December 8th. The EDA/EDC Board meeting may run long as a result of the agenda items that will need to be covered. Steve confirmed that an agenda planning meeting will still be conducted.

Assign Executive Director

Steve updated the Executive Committee on his upcoming vacation and that Allison will be appointed as acting Executive Director for the week of November 7th-November 11th.

Strategic Priorities Update – Downtown Housing

Steve updated the Executive Committee on the housing discussion hosted at BSED and other discussions that have occurred regarding downtown housing. Steve shared the various ideas that have been discussed and the need to reconvene the Downtown Housing Working Group to narrow down the focus to promote this strategic priority. Steve also shared discussions regarding a comprehensive solution to parks development in our communities. A planning session will take place in November to put together a recommendation that will then go to City Council. As an organization, the BSED

Committee and Board will need to determine what our role will look like. At a recent luncheon, \$30,000 was raised for Skyline Trail and construction will begin this winter. Steve will keep the Committee updated on our strategic priorities after the November working session.

Investment Policy (DRAFT-12/08/2022)

Big Sky Economic Development Authority (BSEDA) is a local port authority with broad powers to stimulate economic development and commerce. Although BSEDA has wide discretion on how to spend its funds, it has little leeway in how it can deposit or invest them. BSEDA must: (1) deposit them in demand, savings, or time deposit accounts; (2) invest them in direct obligations of the United States; or (3) invest them under the unified investment program administered by the Montana Board of Investments (the "MBOI").

BSEDA's deposit and investment options depend upon whether BSEDA needs its Funds for immediate use If it does, it must deposit that portion in a demand deposit account at a bank. Regarding the balance, it has other deposit and investment options.

Deposits

Regardless of the type of deposit (demand, savings, or time), BSEDA must be able to make occasional necessary withdrawals and the deposit must be with supervised solvent in-state financial institution and if that financial institution is not federally insured, BSEDA must obtain security sufficient to ensure the safety and prompt payment of any unguaranteed or uninsured portion of the deposits. Although it must deposit the Funds it needs for immediate use in a demand deposit account at a bank, it may deposit the balance in a savings or time deposit account with a bank, savings and loan association, or credit union. BSEDA may solicit bids for time or savings deposits from Montana financial institutions but must deposit the Funds with a Yellowstone County financial institution if it agrees to pay the same rate of interest bid by the non-local financial institution. The interest earned on deposits insures BSEDA's benefit.

US Government Securities

If the Funds are unnecessary for immediate use, BSEDA may invest them in direct obligations of the United States having maturities of not more than five years. The direct obligation choices are: (1) United States government treasury bills, notes and bonds and treasury obligations; (2) obligations of the United States federal home loan bank, federal national mortgage association, federal home mortgage corporation and federal farm credit bank; and (3) a United States government security money market fund (subject to certain restrictions).

Other Investments

If BSEDA wants to invest the Funds in something other than in direct obligations of the United States, it must do so through the unified investment program administered by the MBOI. Because its Funds do not meet the threshold for long-term investment under the unified investment program, BSEDA must invest them in the MBOI-administered short-term pooled investment fund and if it does so, BSEDA will: (1) have a separate account from the other participants; (2) receive monthly statements; (3) receive income the fund earns; and (4) pay fees.

Acceptance of Donated Stock / Marketable Securities

Big Sky Economic Development Corporation (BSEDC) is a nonprofit organization. While BSEDC does have leeway in how it can deposit or invest funds, BSEDC follows BSEDA's investment policy with the exception of acceptance of donated stock/marketable securities. BSEDC has the ability to accept donated stock/marketable securities for the purpose of fundraising.

Whereas neither the members of the Big Sky Economic Development Board of Directors nor its senior staff are professional investment portfolio managers, it is the policy of this organization to liquidate stock/marketable securities immediately upon receipt. The possible transaction cost of this sale is considered small compared to the risk of loss that can be experienced with delay in the sale of the stock. This policy for acceptance of donated stock/marketable securities should be communicated to the potential donor of the stock to ensure the donor will not be surprised or offended at the immediate liquidation of the gift.

An investment account will be maintained with a minimum balance of cash or stock as required to facilitate the donation of stock to BSEDC and liquidation of the stock. The maintenance of this account to accommodate these transactions is the responsibility of the Executive Director in conjunction with the Controller. Proceeds from the sale of the stock are considered unrestricted contributed income unless the donor has imposed a restriction as a condition of the gift in which case procedures for accounting for restricted contributions will be followed.

Adopted by vote of the Big Sky Economic Development Board of Directors:

and

Big Sky Economic Development Association (Big Sky EDA)

This memorandum of understanding (MOU) outlines the terms and understanding between AJAY MT and Big Sky EDA in order to implement the Summer Jobs Program in Yellowstone County in 2023.

Purpose and Scope

The Summer Jobs Program (SJP) is a project created by AJAY MT and implemented in five regions in partnership with over 16 organizations. AJAY MT has successfully implemented SJP in Helena for four years and expanded in 2022 to help facilitate the program in other Montana communities.

Big Sky EDA is an established nonprofit, focusing on improving employment prospects of local youth and supporting a thriving business community in Yellowstone County. The local relationships fostered by Big Sky EDA and other community representatives on the local SJP committee will be essential for running an effective program in the region, while AJAY MT brings program experience to the partnership.

Through this partnership, Yellowstone County youth and employers can participate in and benefit from SJP. The program will help area high school youth build work skills, gain job experience, and learn about career options. At the same time, SJP will connect youth with employers, engage local adults as mentors, and grow the local workforce.

Big Sky EDA, with the support of AJAY MT, will strive to serve at least 20 area youth through SJP, matching them with local mentors and employers.
